

## Kimet Marie

August 11, 1965 - January 26, 2025

Sticks and stones  
Are what they threw  
Because they really  
Never knew

Against all odds  
Through all the pain  
You did your best  
Seems all in vain

We love you mom  
You will be missed  
Be at peace  
Enjoy Heavens bliss.

“ So sorry you had to go so soon Kim.  
You knew that I truly loved you.

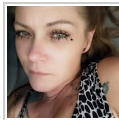

*We had so many long talks. You were so very smart and so very talented. Your writing abilities were out of this world!!! An amazing gift you had!!!*

*So quick to forgive the many wrongs done to you.  
Some things I had also happen to me...but not to the extreme that you had to endure. And I believe you did endure it. There are so many things that you did not deserve...and you endured.  
And for all this pain you endured on this earth ..I do believe you deserve heaven...I know you REALLY loved the Lord with all that you were able.*

*And I will always miss your honesty and humble endurance and tolerance. I know the real Kim and for that I am blessed. Looking forward to seeing you again in the other side of this life. You knew it was a test to see who or what we love.*

*I was also blessed to know the real kim. I really don't know what to say because she was going to get what she wanted, well she did have what she wanted. She just wasn't aware of it. With all my heart, I really hope she knows now. I'm gonna miss her! I love you kim.*
