“*Krista and I worked together at Crosswinds Communities and DeLuca Homes. When you work with someone everyday, you become family. My heart aches. God Bless you all, especially during this difficult time.*

*Krista would want this....*

*I have only slipped in to the next room; whatever we were to each other that we are still.*

*Call me by my old familiar name, speak to me in the easy way which you always used.*

*Laugh as we always laughed together.*

*Play, smile, think of me and pray for me.*

*Let my name be the household word it always was; let it be spoken without effort.*

*Life means all it has ever meant.*

*It is the same as it ever was; there is absolutely unbroken continuity.*

*Why should I be out of your mind because I am out of your sight?*

*I am but waiting for you, for an interval, somewhere very near, just around the corner.*

*All is well. Nothing is past; nothing is lost.*

*Only one brief moment and all will be as it was before -  
only better, infinitely happier and forever -*

*We will all be together with God.*
