May 29, 1981 - June 8, 2014

Kristof Lefevere was born in Belgium on May 29, 1981. He passed away in Orlando, Florida on June 8, 2014.

Kristof,

We will always remember you!  
by your loving smile, your jokes, your energy: you are a real happy soul!

Our Belgian friend! You warmed our hearts with your company, your passion for life and friendship. Thanks for that!

Many memories will remain and we will always embrace in our minds the funniest moments that we shared...

God wished for you to depart first, but this is not a farewell. We carry you in our hearts during this journey of life, until we get to meet and enjoy together again.

“ Voordat hij naar Orlando vertrok een leuke tijd gehad met hem in Den Haag.  
Deze foto had hij als profielfoto op zijn whatsapp. Moet ergens ook nog wel een selfie van ons tweeen hebben.  
Op Facebook kwam pas nog een herinnering naar boven van ons ontbijt samen in Den Haag.  
We hadden soms nog contact toen hij in Orlando zat en dat hield ineens op, snap nu pas waarom. Was m'n contactenlijst aan t opschonen en zag dat zijn telefoonnummer nu van n ander is en daarom googledde ik hem net.  
Sterkte familie en vrienden (in Brugge)

Liefs,

“ We are sorry to read of the passing of your loved one. Words don't always ease the pain when you are grieving the death of a loved one, but we hope you will find comfort in Jesus' promise of the resurrection hope(Acts 24:15)when he will raise up those who are now sleeping in death(John 11:11) restoring them back to life, on the renewed Paradise earth(John 5:28,29; Luke 23:43) what a wonderful blessing to look forward too. Until then, may Jehovah God (Psalms 83:18) grant you peace and comfort during this grievous time.-Matthew 5:4.

“ Dear family, loved ones and friends,

*My deepest sympathy is with you. I am very sorry for your loss and that such tragedy happened in your lives.*

*Kristof and I met here in Orlando and we knew each other for not more than a brief moment - a couple of Saturday mornings and Thursday evenings - playing soccer. And yet, how short this time may have been I'll keep lasting memories of a unique personality, of someone who celebrated life and was not shy to share his lust for life.*

*Memories of Kristof, this all or nothing type who took on a complete soccer team on his own with a smile in his face. Another step, an extra trick and often enough the winning goal kick. All peppered with his one-of-a-kind humor making us laugh while we were losing. Hilarious, surprising and inspiring.*

*Kristof,*

*In this world you were not the tallest but one of the greatest. You made it in my personal Hall of Fame and I am pretty sure stories will be told about you - some with tears but all with a smile.*

*Thanks for the good times!*

*Te otra vez!*

“ Kristof is so well liked by our Project Teams & Customers. He is very good at his work. He laughed with all. He is always happy. He dives right in to whatever he is faced with & with our "A" Team we worked it out together, sometimes just Kristof with his expertise. Thank you for everything. We are blessed by knowing you! You are forever a bright shining light that will always remain a part of Siemens & our hearts! You resemble your sweet Mom, whom you love dearly. Stephanie, your Sis, I know cherishes you! Your Family is deep in our thoughts both here & back in Belgium with the rest of your Family. So happy you found love, dear sweet Brunella. It's not goodbye pal, it's until we meet again.

Nou de eerste ontmoeting heb ik geweten, Kristof werd onmiddellijk mijn boven buurman, grote vriend en naaste collega.*

Ben dankbaar voor het feit dat ik Kristof heb mogen ontmoeten in mijn leven, Iedere keer als ik aan hem denk moet ik weer glimlachen want dat is wat Kristof met je deed, hij toverde een glimlach op je gezicht.*

*Dear family and friends of Kristof*

*Before I even met Kristof in person I noticed a lot of people mentioned his name. The re-allocation officer of Siemens mentioned him as well the people of the rental office at the apartment i was going to live. After we met he became my upstairs neighbor, dear friend and colleague.*

*Kristof was quit the personality and regardless the situation, where Kristof was there was Life ! The amount of energy he had was beyond everything and always positive and pleasant.*

“ I met Kristof soon after he arrived in the USA playing soccer on a Saturday. Although he was very good, and very often made many of us look clumsy, he always had a smile and a funny comment to make afterwards. Also, I remember the laughs we all shared when he kicked a penalty kick above the fence; it seemed as though he chose to make every moment a joy regardless of the circumstance.

*Although I didn't know you long, your zest for life, your ready smile, and your overall spirit will stay with me my friend. I will forever envision you in the celestial soccer pitch faking a quick kick, and going to right past the person defending you, then taking a strong kick that might be a goal, or going out so wide to draw everyone's laughter.*

*"And it seems to me you lived your life  
Like a candle in the wind  
Never knowing who to cling to  
When the rain set in  
And I would have liked to have known you  
But I was just a kid  
Your candle burned out long before  
Your legend ever did"*

“ I met Kristof when he arrived to Orlando in a soccer match for the Siemens league. Luckily he was in my team because he was very quick on his feet. Instantly we had a good connection. He was one of those people that you just want to spent time with. He always had a very positive energy surrounding him. He was a blast. He always had a good joke to make you laugh. In addition to all of this he was extremely smart and very responsible with his job. Kristof will always have a special place in our hearts. “ I met Kristof at his first football game at UCF with the Siemens' crew. He was loads of fun. We had a lot of laughs being goofy at the football game. He enjoyed the American football game sitting next to my husband, Michael who was teaching him about the game. Every UCF football game now will remind me of his amazing free spirit, his laughs and big personality. He has certainly left an impression on all who came across his path. He will be greatly missed. But will always be in our hearts. We will meet again one day. But for now, farewell Kristof.

“*Kristof was a wonderful man. He was bright and energetic. It was a pleasure to be in his company. I had the good fortune of having lunch with him the day of the accident. He had such a bright future; not only with Siemens but personally as well. I left lunch feeling encouraged and energized by my time with Kristof. He died too young. And I cannot make sense of it. The only solace I can find is to know that God needs angels and it brings me comfort to know that he is soaring above us all in heaven.*

*He's become the birds and  
He's become the stars  
And he'll be with us always  
No matter where we are*

*And when you find you miss him  
Close your eyes and look inside  
For that's where he can reach you  
Where his memories survive*

*And he will give us strength  
And comfort those in pain  
And he will love you from afar  
Until you meet again*
