“ *Kyle made me laugh every week we worked together, he was always showing me things he was going to build or plans to adapt something he already had, he loved talking about his fishing and he was so helpful to everyone. He was a wonderful kid who grew into a wonderful young man. He was taken from this earth far too soon and I will never forget him. Rest easy Kyle.*

We have fond memories of David coaching Kyle On our 1st AAU Osceola Bullets 8u baseball team when he and all the boys were so little. There really are no words to express the grief we all share.....Barb, I asked God to wrap his healing arms around your shattered heart and give you all the strength to be brave and strong during this difficult time. “ *Kyle was a sweetheart. We had the pleasure watching him grow up over the years as he was a dear friend to our daughter, Morgan. That smile will be missed. He loved his Mom as much as she loved him; that precious bond between a mother and son. Kyle loved life! We are going to miss this young man tremendously. Prayers for his family, especially his Mother. Scott & Michelle Thompson*

“ *I remember Kyle as a cute little blond haired child. He was a happy-go-lucky little boy. I had not seen him for many years. I would like to express my sincere sympathies to the whole family. I know first hand the pain from the loss of a child. Your life is changed forever, but even in loss...there are still many things that happen that will show you God's love. Always bring his name into conversations as he is still with you and he DID exist. I am so very sorry for your horrendous loss!*
