

## Larry Bernard Butler

February 21, 1983 - July 13, 2022

Larry Butler was born and raised in Orlando FL on Feb 21, 1983 until God called him home to rest.

Our beloved brother Larry Butler as a child attended Catalina Elementary School, Memorial Middle School and graduated from Jones High School in 2001.

Shortly after graduation Larry went on to study at Valencia College where he graduated with a Associates Degree in Business Administration and in 2013 he attended First College where he obtained a degree in Audio Engineering.

Along his working career he was employed with Spherion as a CSA.

In 2007-2009 he also became a Graphic Designer and started his own design firm Indi Grind Designs in 2009.

Larry acquired many talents such as a credit repair consultant, small business LLC consultant and a few others.

He would take advantage of any opportunity that would broaden his talents. Our brother also loved music in a way

like nothing else. His love for music came from his Father Larry Senior and his musical talents ranged from producing his own songs and making music videos.

There was not a moment where he would not be in the studio or playing one of his tracks for his family.

Larry loved to laugh and joke around  
he loved to dress well and was the life of the party  
there was never dull moment  
when he came around, he was just full of life  
everyone loved him, his family always came first whether  
it was to support our business endeavors or to just have  
a personal one on one talk with each of us.

He always left us with a load of wisdom and always  
saying at the end stay positive and trust in GOD.  
There is so much more we can say about our beloved  
Son, brother, Father but just know throughout is life  
he was always praying, staying positive and focused  
on the path that God laid out for him.  
He was Strong, Courageous, Loving and Caring  
not letting anything get him down always giving and  
receiving love just the same.

Larry was preceded in rest by his  
dearest Mother Linda Butler, beloved  
Niece Erica Trinity Hattie Davis,  
Grandfather Bubba and Grandmother Marry Jones.

Our Beloved Brother Leaves to Cherish in his memories

His Father Larry B. Mace, Paternal Grandparents,  
three beautiful sisters Cordice Butler, Felicia Butler,  
Bridget Butler. His one and only loving Son Soul Tylor Williams-Mace,  
three Nephews Ja Ja, Zion Lee, Zaveian Lee and Loved by a host of family  
and friends.
