“ Jennifer, John, Erica, Aaron, & Zach purchased the Pretty Please for the family of Larry R. Martin.

“ Larry martin was a good friend to me, I worked with him for over 36 years so we got to know each fairly good. He and I had a few things in common, We both live by our self and we both had fathers that worked at Glen L. Martin Co. and Martin Marietta Co. Larry's Father Charlie Martin & my father Heller Davis and Larry all hired in around the 1957-1958 time period when Glen L. Martin Co. was just starting in business. 22 years later in 1980 I started to work for Martin Marietta. My father worked with Charlie in the wood shop for a few years and then eventually moved into the tool and die shop with Larry. We all had a lot of good times over the years and I miss seeing and talking with Larry already. I use to kid him that I was going to retire before he did. Now I know he has retired to the heavens above. Larry I hope to see you some day when I retire to the heavens. Until then I will miss talking with you every day on break. My sympathy goes out to Larry's family. God rest your soul Larry Martin.

P.S....Larry, I still got that stick of dynamite you give me to go fishing with. Love you brother.
