“ My Brother was such a positive person full of life no matter what happened he remained positive he wouldn't want us to be sad but be jealous that he gets to meet allah first it's hard to think of him as gone and not here. I would give up everything just to see him one more time and hug him forever. Sometimes in life we don't always get best friends God gave me mines first quarter my big brother! We had so many memories that I'm gonna hold and cherish until I get to meet allah. You are gone in body but will live forever in spirit through all the knowledge you passed down i love you I miss you but you know that already 🥺🙏
