“ *We will miss listening to him talk about his time in the army and his childhood. What a brave and hard working young man he was taking care of his Grandmother and Sister. We admired him so much. We know he is volunteering to lay brick on all the families mansions in heaven while he is waiting for them to get there. We will see him in heaven. This is not a permanent goodbye.
Love you very much

“ Grandpa will be greatly missed by his family. He was a great man, loved his family dearly, and lived a very long and fulfilling life. He will be forever looking down on our family with love. I'll never forget all the wonderful memories we have made over the years like playing dominoes, going to the Quick Trip, swinging on the tire swing in Oklahoma, riding his tractor, and many meals with him and the whole family around the dinner table. Love you grandpa.
