

## Lennette Kuntz Spence

March 13, 1958 - January 23, 2022

Lennette Kuntz Spence peacefully past in her sleep at her home in Orlando on January 23, 2022.

She was born in Boulder Colorado on March 13, 1958. Not long after the family moved to Wyoming and then to Sterling, Colorado where she went to elementary school and high school and had many, many good friends.

She is survived by her husband Sam Spence, stepchildren – Craig Spence (daughter-in-law Kelly) and Shannon Spence, and grandchildren Anabell, Kelby, and Colin, Father – Leonard Kuntz, Mother – Ann Kerchal, Sister – Shawna Shelley (husband -Tim), and Brother – Steve Kerchal (wife Bechi). Everyone that knew her loved her, but there is a special group of friends that are as close as family, Terry Bozeman, Ken Lee, Martha Miller, Karen Russian, Wayne Strother, and Ron Martin.

She went to Wade College and studied fashion and design in Dallas, Texas and moved to start a career in Atlanta. She always had an eye for beautiful decorating.

While in Atlanta she STARTED working for a commercial real estate developer and met some of her dearest friends who remain close to her for the next 40 years. Afterwards, Lennette also had considerable success as an

area sale coordinator for several high end fragrance companies.

In 1996 she met her husband, Sam; they moved to Florida in 1997. Along the way she had several health-related complications and fought bravely and fiercely. She was a true warrior.

As 2022 started, she was finally in a very happy and content place in her life. Sometime during the evening January 22nd, she simply went to sleep and passed peacefully.

Her Catholic faith was always strong. She was a beautiful spiritual soul. Funny and loved by many. She's with God and the angels now.

May she rest in peace.

Her wishes were to be cremated. There will be a Celebration of Life Ceremony in Seaside, FL at a later time this spring 2022.
