

Lenore Stacey Gonzalez

November 19, 1974 - February 6, 2019

Lenore S Gonzalez known as "STACEY", born in New York City and raised in Arecibo, Puerto Rico. Stacey and her family moved to Orlando, Florida in 2010.

She is survived by her husband Johnny Colon; her two sons: Jonathan and Anthony Colon; her father Ramon Gonzalez; Vivian Gonzalez step mother, her brothers: Ramon Gonzalez Jr., Jonathan Gonzalez and Eric Ramirez; sister: Alma Luz Gonzalez and her loving Grandmother Blanca Suarez. Stacey was a loving daughter, wife, mother, sister, aunt, niece and cousin.

Stacey was loving and caring to all she met, friends became family. She loved to host family events and if you said the word PARTY, the planning stages were quickly in motion. Stacey loved the beach and the outdoors. Although, Stacey won't physically be at our next family event, we will definitely have an ANGEL watching over us.

The Heavens have gained a beautiful soul and the angels are rejoicing in Glory. May you have eternal happiness in heaven and let perpetual light shine on you always.

“ *To The Family,*

I am a volunteer minister who reads obituary columns quite often. Sometimes words cannot express fully one's sympathy when learning of the death of a love one, simply because death affects all mankind and it hurts so much.

I hope the family can be comforted knowing that God cares for you and sees your pain.

(1 Peter 5:7)

May you find comfort and relief during this time of sadness , as you cherish the precious memories today, tomorrow and always..

*Kind Regards,
The Dorsey Family*

“ I dont even know where to start. I love you prima and I am so beyond grateful to have so many amazing memories with you from childhood to recent. You are an amazing person. Your love story is an inspiration for me and is why I wanted you to stand next to me when I got married. I know I have shared this with Carlos but I dont know if anyone else knows about the day at the beach. The day when you encouraged me to follow my heart. You told me, mom and dad would understand me moving back to Texas and everyone knows Carlos makes me happy and you said that is all that matters. And that's what I did and now as I look at your nephew Nicolás, I know you had a part in where my life is now. Nico will know about you and the amazing person you are and will know he has a Titi in heaven looking down on him. I will forever miss you. I love you!

“ Tracy will always be my little girl. She brought plenty of happiness to every one that crossed her path especially with her contagious smile, and kind demeanor. She was and will always be loved even after her demise. As for me, I will always bring a teary smile whenever I see the symbol of Mc Donald's because as a little girl while living in North Carolina she would scream and catch a BIG tantrum that she wanted MC Donald. If we didn't STOP she would torture us by screaming her lungs OUT. Tracy I know that your mom Yvette came to take you with her because she shared you with us, and now it became her term. Te quiero mucho siempre on mi corazon. Olga DelToro

It is with an immense sadness the loss of Tracy. In disbelief I thought of her when she was a little girl in NC she played with my daughter Tanya and I remember those beautiful big beautiful Betty Davis eyes and curly hair. She brought joy to all who knew her. Gone too soon we question why her but only God knows. We stay behind and cherish the time we had and the memories she made along the way with those who knew her the most and even the ones she encountered briefly. Heaven has gained an angel and I know her mom is by her side. Tracy will forever live in our hearts ❤️. We will not say goodbye but until we meet again. RIP ✨🌸🙏

“ Your farewell service was absolutely beautiful, just like if you planned it yourself. A packed church, beautiful music and 4 priests. Although we went through an area you didn't like, it made up for it when we passed by your work place and had co workers and residents saying goodbye. Waving goodbye and crying, you were LOVED by all.

I pray that your legacy of LOVE and HAPPINESS lives through others.

“ I will miss your daily text messages, your funny facebook posting and your google searches.
I will miss your creativity, our trips to the beach and our chats about saving the world.
I will miss you coming over to pick up tio's yummy soup, your beautiful smile and your silly laugh.
I have so many great memories that I will always have you in my heart.
So I can't be selfish because I know that God has called you home. The heavens needed a new Angel and they sure received a beautiful one.
I will ALWAYS remember you, SLEEP IN PEACE.
So I won't say goodbye. Until we meet again.

“ *Stacey was an amazing person! She was truly beautiful inside and out! When we ended up having each other for secret Santa it was so exciting because we enjoyed the same things.. Makeup, blinged out jewelry and purses. We knew that whatever we personally liked, the other would like! We would joke about how we would always buy one for the secret Santa and then purchase one for ourselves because we loved it so much.*

Tracey always had great energy and was just a fun person to be around! She was taken too soon 😞 and I will miss her dearly.
