“ *To the family of Leo Tramp James. From a friend we met in Germany. We quickly became good buddies. Tramp was an excellent dancer and entertainer. I was his drummer. His feet were faster than James Brown. We lost touch but reconnected a few years ago. We made plans to visit but didn't get around to doing it. We do plan to visit the family and his graveside once things are safer for travel. Rest in peace my friend.

“ *The sadness that I felt within when I heard about Leo's passing was truly heavy... we've shared moments together that's everlasting...the rehearsals, the conversations we shared while traveling to a show...a lifetime of smiles as I think of those moments...thank you bro!*

“ Leo was one who was known by many and was loved by many. He always had a smile on his face when you saw him and a kind word to say. He was full of laughter and love to entertain. He would tell stories of how he use to tour with band long ago. Leo was know for his James Brown performances and smooth moves. Leo was my good friend and although he is gone he will not be forgotten. To be absent from the body is to be with the Lord. Rest on my friend.
