

## Leon Joseph Grobaski

September 7, 1926 - July 5, 2015

Leon Joseph Grobaski, age 88, entered into eternal rest to be with the Lord and was also joined together again with his wife of 63 years on 7/5/15.

He was born on 9/7/26 in Boyne Falls, MI, entered into the Navy on 3/8/46 as a Fireman Second Class, served in World War II, married on 10/7/50, started a family then moved to Orlando, Florida in 1970.

After moving to an assisted living facility in February of 2015, he was nominated and accepted the honor of being the first President of a Welcoming Committee at the facility. He took on the responsibility with overwhelming pride, of greeting & meeting the new residents moving in. The warmth of his heart and loving personality also made the current residents open up and feel more comfortable and at home as well making the scenario a much better place to cope with.

Leon was a devoted father of three children, loving husband, had a very strong "Polish" sense of humor and was extremely affectionate & compassionate. The love that Leon had in his heart was immeasurable which applied to all walks of life from humans to animals and generously gave of himself without expectation.

He is survived by his brother Richard, two sons Leon & Gary, daughter Lisa,

daughter-in-law Nancy, son-in-law Damien, four grandchildren Paislee, Tammy, Lindsey, Garrison, Jaden & Lauren and four great grandchildren Preston, Sawyer, Hailee & River.

Leon's engaging smile, gentle heart, sense of humor & love for all will be truly missed.

As long as life and memory last, his remembrance will never pass.

We Love and Miss You Always.

“ We had many great times going to their house to help put christmas lights or just to hang out. The turtle and coy pond were some of my favorites because all the years of work had paid off to amazing beauty. We miss you.

“ My grandfather was an extraordinary man. He has never met a stranger because he treated everyone he met as family. He is greatly missed by all who had the pleasure of knowing him. I pray that I will be able to follow in his foot steps and have the heart of gold that he was blessed with for so many wonderful years.

“ My deepest sympathy goes out to the entire extended Grobaski family for the loss of your father, your father-in-law, your grandfather, your great-grandfather, your uncle and your friend. Uncle Leon was one of the kindest and most gentle men I've ever known and he will be missed. We've all been fortunate to have known Leon and I hope at least a little of his kindness and tenderness is instilled in each of us. In this way and others, he will live on in our memories and in our essence. Love and condolences to all...

“ I am so sorry for your loss. Uncle Leon was such a wonderful and caring man. He was someone who always had a smile on his face and enjoyed life and everyone around him. Every time we talked he would ask if i remember how we played hot wheels when I was a little kid. It was just one of many great moments I had with him. Although I didn't get to see him as much as I would like because of distance, I will always remember the time we did get to see each other or talk. He was such a great family man and caring person. His passing is such a great loss to me and the family but realize how he is now in a better place. Even though he is no longer with us, he will always be in our hearts and prayers. Love you and miss you!

“ We are so sorry for your loss, Leon was such a wonderful, loving person. We met at Sunbelt Rehab, our dad was in the same room and Leon was a real blessing to us. His kindness and concern for others was pretty special. My dad Pastor Lopez and Leon became very good friends, they had real concerns for each other. When Leon needed extra coffee, or water we were more than happy to help in anyway we could so he would feel more comfortable. His family would do the same for our dad when we were not around. We loved sitting around in the afternoon and just chatting about life. He was more like family then friend, we will never forget his smile, and loving ways. We will always remember the wonderful stories we all shared. We will miss him dearly. We know he is resting in God's arms now and forever.
