“ *Im very sorry for the death of your loved one I would like to share with you a text of the Bible found in John 5: 28,29 where Jehovah God promises that we will see our loved ones who have died for they will be resurrected. A beautiful promise for those of us who have lost relatives in death. I hope the text helps them and accompany them in their pain.*

I didn't know him well but the day we met I felt we had been friends for years. What a great person he was.
