“ A year has past and I'm still in morning.  
I miss you so much, the long talks and the many many stories that  
you shared. I remember the times we caught the bus to your  
doctors appointments and on the way home we would stop at  
Woolworth for ice cream. Thoses was the days.  
Rest in peace mama.

“ When out of the Blue a terror of floodwaters grips the very depths of  
our souls, sending us slipping, sliding and spinning down the  
pathway of life in awe trying to understand;  
Don't despair.. for We have a Savior always waiting for our call. He  
is Jesus! He is right by our side.  
In memory of My sister Lessie Mae  
I shall always treasure our times spent in the exchanging of letters,  
visits and calls when  
we shared stories of incredible pain, joy, much laughter and being  
thankful  
for having each other as old sisters, one year two months and  
twenty days a part with  
Love...Until then.. ...Your Baby Sister Dorothy Mae.

“ *Grandma my fondest memories were you taking care of us while dad worked out of town driving trucks. As a little girl I believed I heard every Lee Williams and Shirley Caesar record there was and I still listen to them today. I love you grandma and I thank you for all you've done. I'm more proud of the fact that I told you that while you were here. I sure do miss your stories and your laughter! Rest well my love!*
