“ *When we were kids, we rode bicycles together. All around Majenica we would go. Rode the same school bus and had the same teachers and classes. Even had bicycle parades, would doll up our bikes with streamers and such. What fun we had. Even went to the same Church and V.B.S. Will think of her often with fond memories. Praying for your family to have peace that only God can provide. Yours truly, MaryAnn (Douglass) Eller*
