

Linda Janet Boggs Whitted

February 6, 1938 - October 21, 2022

Linda Boggs Whitted 84, Orlando, passed away peacefully with her children by her side on October 21, 2022. She was born in Columbus, Georgia to the late Edwin C. and Mary L. Boggs, being the youngest of five children.

She met and married Jimmy Whitted, also a Columbus native, and they were blessed with three children. They were divorced in the late sixties, but, with faith and determination, she successfully raised her children on her own. Her favorite saying was “keep on keeping on.” Her positive outlook and faith that things would be fine kept her family moving forward.

Linda began her career as a legal secretary and moved up to Paralegal and Office Manager. After retiring from her career in the legal field, she studied and became a Realtor and sold many homes in the Orlando area. She loved to paint, sew, draw and write stories. She wrote and published a book titled Short Stories From My Memory Pit.

She is survived by her three children, Michael Whitted (wife Rita), Janet Foster (husband Tim), Judy Beardslee (husband Ron) and four grandchildren, Kristina Foster-Whigham, Quinton Mackee, Eric Whitted and Kayla Keith and four great-grandchildren.

Linda was strong, determined and steadfast all of her life. The world is a

better place because of Linda Boggs Whitted.

“ I don't have a memory of the first time Linda came into my life because I was only a few months old! My mom had taken my brother, sister and me to live with her sister and her family. My dad was in the Navy and was out to sea. I slept in a dresser drawer and Linda, 9 years old, would check to see if I was sleeping by pinching me on my arm. She was convinced I was a baby doll and she was going to take care of me. The next time we met, I was 5 and my mom, dad, his aunt and me drove from Long Beach CA to Columbus for a visit. I remember that trip and Linda again took care of me. Fast forward to several years ago. We began emailing each other, don't remember how that came about! She had begun delving into the family tree and got me hooked on doing the same. My husband and I were planning a cross country trip and to Florida to see Linda. Our visit was wonderful but too short. She even had to pinch me again for old times sake. We talked, laughed and cried happy tears. She was my mom's favorite niece and my favorite 1st cousin and I will miss her and love her always.

“ Ms. Linda was very friendly, very kind and a good listener, someone who cared about people and their best interest. The many conversations her and I shared will forever be in my heart. I am really going to miss her but I know she's in a better place, resting in the hands of the almighty GOD. Family stay strong and know God is too wise to make any mistakes. May the peace of the holy spirit be upon each of you, is my pray.

It was not so long ago Mom was with us picking blueberries. The day was pleasant with blue skies and cooler weather. I remember wondering how Mom had so much energy, but then I realized that was just her. Always going 90 miles an hour so to speak. She ended up with so many blueberries, that I had to use my credit card cause I didn't have enough cash on me! And all this time we thought this only happened in the strawberry fields. I miss you so much, Mom.

“ *I have so many memories of my Mom. One memory that stands out more than others is when she and I took a helicopter ride while at the fair with the family. We giggled with delight as we waved to my husband who chose to stay on the ground and hold our purses. 😊. It was a great day.*
