“ I am so hurt I didn't get to see you when I found out what was happening I knew I needed to come and see you, I just wanted to hug you or hold your hand. But you left a few days later. You were always there for us. And I am so thankful for you being a part of me and my children's lives. We Love you dearly. You are so missed❤️
❤️always my Auntie Red (Linda).

“ I love this woman so much after losing her baby she still happily agreed to be my daughter's God-mom, even though she is her Aunt. Linda we will see each other again, I love you so much, I will never forget the acceptance and the laughter nor all the movie nights.💜💜💜💜
