“ I knew Linda in 8th and 9th grade and we became best friends. Her hair was short back then, and she reminded me of Petula Clark. She was always kind and sweet and had a great sense of humor. My family moved, unexpectedly, at the beginning of 2nd semester in 9th grade and I didn't get to tell her good-bye and we never heard from each other after that. I have thought of her often, and I am so sorry for the family's loss.

“ Linda was a very special friend of mine for 16 years. We "met" via the internet back in 1998 when we were "introduced" by the former owner of a Fleetwood Mac website. She and I not only had Fleetwood Mac in common, but Linda being a fan of Johnny Burnette and my being a fan of Billy Burnette, allowed us to bond and become fast friends. It never mattered that she was 22 years older than me - we were friends and we were equals. I will always remember her for the very sweet, thoughtful, loving person she was. She had a great sense of humor, and regardless of how many curve balls life had thrown her - and there were many - she always maintained a positive attitude. She will greatly be missed by all who had the pleasure of knowing her. My deepest condolences to Stephanie, Kelley, and the rest of Linda's family. My thoughts and prayers are with all of you during this incredibly difficult time.
