“ My condolences to Tasheba and the rest of the family. Please remember that your mother is in no more pain, suffers no more heartache. I know this is a hard thing to accept now, but time will heal the wounds, make them less painful. She is not gone, she is here with you now. Looking over you and holding your hand, resting in the loving arms of God. May God bless the family, friends and other loved ones. You are in my prayers.
