

## Linnet E. Wilson

September 14, 1948 - August 28, 2023

The heavens have a new star.

Linnet Eleen Wilson was born to parents Herman “Tilton” and Adina Mc Donald on September 14th, 1948, in Couva, Trinidad & Tobago, WI.

At 26, Linnet started working at The Ministry of Labor and Co-operative, where she met many close friends, with whom she was still in contact with before she passed.

As time passed, although she loved her family, friends and country, her family had increased with two daughters, and to give them as many opportunities as possible, the three musketeers moved to the US in 1986

After arriving in the US, she started working at Park Lake Nursing and Rehab where she made some great friends, Juanita and Phyllis.

Ms. Linnet, mom, grammies, Lin and also known as the human calculator are some names she was affectionately referred to. She was a woman of many interests. She was especially fond of cooking, sewing, and entertaining, and we can't forget the woman loved a fete. Along with a deep love for music, Linnz was known for her delightful sense of humour and good laugh or insightful conversation.

Linnet is survived by her daughters, Shellyann and Quisha sister Ann Marie and brother Yoland “Bemz”, her grandchildren Peta and Payton and her aunt Cynthia Wilson Lange. Linnz also leaves many good friends, family and other loved ones who will miss her wit, warmth, and wisdom. Linnet was a beacon of kindness, compassion, humour and a wonderful blend of sass and grace.

The Wilson family would like to express gratitude for the outpouring of love and support during this difficult time. Linnet’s life was a blessing to all who had the good fortune to cross her path. Memories of her we will treasure until the end of time. She has been and will always be loved beyond words and will be missed beyond measure.

A Life Well-Lived

Rest easy, Linnet. Your light will forever shine in the hearts of those who love you.

“ To my best friend. Saying goodbye is tough. A truly beautiful soul, so kind and so loyal. You will live on forever in my mind and in my heart. Our friendship was truly priceless, nearly 40 years and I will cherish it forevermore. Until the day that we meet again, when I knock on heaven's door. I wish I had one more chance to laugh with you again, just for a little while. Rest softly now, my friend, no more pain, safe in the arms of the almighty. Your memory will never fade and your light will always shine bright. We all love you my friend, but God loved you most. Your Bestie Phyllis. 💕💕💕
