“Daddy we've had so many memories from you teaching me how to ride my bike, mixing concrete and a whole host of other things. There's two memories that I will always cherish to my heart and that's the days you got to meet my kids. That's has always been a goal of mine because I wanted them to meet the greatest man I know and the man that made me who I am today. You will always have special place in our hearts and you will never be forgotten along with all your teachings and quotes. Miss you
