“*Louanna has been a part of our family for over 15 years when she started dating our brother and Uncle Bill. She is the sweetest, kindest and happiest person we know. She had a great sense of humor and a lovable laugh that would fill the room and make you laugh too. She was so full of life and had so much joy in her heart. She always had a smile on her face. Louanna was a devoted Mom to Ryan and they were very close. Even after Bill passed in 2010, we continued to keep in touch with Louanna and Ryan. Louanna recently stayed with us for the 4th July week when school was closed and Ryan was in North Carolina. We had fun watching movies, playing board games, talking and laughing. Louanna touched our lives and we will miss her. She is now an angel in heaven. We will cherish the memories. Our love, prayers and deepest sympathy to Ryan and his family. Love Dave, Susan and Ben Sanborn.*

“ Memories: Louanna's favorite movie as a kid was Grease and she loved the soundtrack. Her little dog was Snoopy. She loved TeenBeat Magazine and she had crushes on Leif Garrett and Shawn Cassidy. We would read Nancy Drew books together. She loved her German language class. She was my maid-of-honor at my 1st wedding. We went to the beach together and school dances. I wish we had stayed close in adulthood. My heart breaks at the loss of such a beautiful and loving soul. RIP Louanna

“ Many times when I asked Ms. Herndon how she was doing she would respond, "fair to middlin!" She bought gifts for my first born daughter and would always ask how my girls were doing. She truly cared and did not say it just because. You could hear her laugh from across the hall, and it's the little things like that which can brighten up your day. It's hard to think about Princeton without thinking Ms. Herndon. I will remember her for the rest of my life.
