“ *The Bible give us the hope of seeing our dead love loved ones again at john5:28 where Jesus said "all those in the memorial tomb will hear his voice and come out. Revelation21:3&4 says that death will be no more neither would would mourning, nor outcry be any more.*

“ *With a gentle touch all hurt ceases.
Gentle hands tenderly embrace the soul
refreshing one’s being.
Understanding is she - a guiding light
poised always to defend, attack, strike
to safeguard that which is dearest,
and that for which she would die.
What is there to a mother's love?
A protector, defender of innocence is she,
a fortress, a harbinger and giver of life
from which we sprang, a teacher, chef,
chauffeur and healer of wounds, an
endless list for many hats she wears,
a soothing salve for suffering and
shattered lives, a resplendent visage
that shines ever so bright, a radiance
that curbs despair when depression looms.
A mother’s smile, a gentle touch, a kind word
would melt the coldest heart.
Life is not for her! For us does she live.
Some from distant and troubled lands did come
seeking a better life, a new beginning.
An immigrant on the threshold of opportunity,
not for her, but for us.
Blessed are those who mother and father are
for struggles are many and hardships great.
Tenderly do they provide, nurture, love
Regardless of who or what we are, and who
they are, let us never forget, for great is their
love, and ours should be much more.*

“ *In Memory of My Niece - Louise Valentin*

*A life light fades in the distance.
A beacon upward towards Heaven
Ascends, lighting the way for others
Who will eagerly follow. A multitude
Of heavenly souls already in attendance
Welcome the arrival with angelic voices -
A crescendo of Gloria in Excelsis Deo
And Hallelujahs echo in the Heavens.*

*The new arrival with allegiance, bows and
Proclaims her loyalty to the Heavenly King.
An eternity of celestial bliss is her reward.
Friends and family, souls unchained of
Mortal coils, greet the new arrival to her
Heavenly home as voices, in harmonious
Splendor, continue to glorify.*

*Louise, my dear niece - you were loved.
Indeed you were, and are, and will be.
The test of time you have passed and glory
Is your reward. Thoughts of wondrous deeds
Continue to reverberate in our hearts as we
Contemplate your earthly & celestial existence.*
