“ *The Bible give us the hope of seeing our dead love loved ones again at john5:28 where Jesus said "all those in the memorial tomb will hear his voice and come out. Revelation21:3&4 says that death will be no more neither would would mourning, nor outcry be any more.*

*Lourdes, you were such a warm hearted person that never judged anyone regardless of their faults. May God be with you and your family, that they will always remember what a great person you were. I lost touch with you but I have often thought about you and your family. God has taken away such a wonderful person he will be happy to have you in his presence because that is where you belong. RIP Lourdes and know that you will no longer live in pain and suffering.*
