“ Papi,

*Your long battle is over. You fought hard through these past years, each year losing more and more of yourself. Often times I wasn't sure if you knew it was me and my heart broke. I missed your laugh, your corny jokes, and your sayings.*

*Looking back, you were a good father, sometimes very tuff on us, but even when times were rough, we never went without. If there was any family member or friend in need, you and Mami never hesitated to let them stay until they got over their situations and helped them to move on.*

*Rest in peace, my father as you are now with God and the angels.*

*Your loving daughter, Millie*
