“ First I Would Like To Give My Condolences To You Ivi And The Entire Family... I Can Only Imagine What You Are Going Thru.. Its Hard To Absorb Losing Someone, But More Painful Then Losing Your Mother.. I Am Still Grieving From My Own Mother Passing 2 Months Ago And The Fact That Your Mother Came To See Mines At My House Is Something I Cannot Begin To Understand... I Spoke With Her And It Was Nice To See Her Cause She Was Always Good To Me And Treated Me Like One Of Her Own.. She Was Really Looking Foward To Being At Peace In Florida.. Im Shocked And Like I Told You Ivi.. There Is Nothing I Can Say Because I Too Had To Learn How To Live My Life And Accept My Own Mothers Passing.. But I Tell You This, She Is At Peace Now With God Almighty In Heaven.. She Is In Paradise And At Peace... Be Strong And You Can Count On Me For Anything... God Bless You And May She SIP.. I Love You...

“ Peace family! I'm trusting that you'll find comfort in memories. What I most remember about Lundy is that she always said what she had to say...no apologies and with a sense of humour - So you couldn't be mad about it! I loved that about her. You didn't gave to guess at what she had to say because she done said it! I'll be praying for your entire family! Sending many positive vibes that will bring you all closer than ever! I know that Lundy loved to help people and did her best for her family. I know she will be helping all of you in the spiritual realm in more ways than she could in the physical world! Every time you think of her and need her she will be there...

“ *I am so devastated, I can't even find the words to say my friend Lundy has gone to the Lord. I miss her so much, I had just started to read Kindle our friendship after 30 years, and now she has gone. I was hoping to have many more good times with her, instead I am writing this comment. Last year my last vacation we had a wonderful time, And I know that she loved it she was fun very loving and very kindhearted, and I want my friend back. I was very fortunate to be with her and her last vacation where we smoke cigars we danced in the car, then she also took the picture of my business card I want my friend back.....Rest in peace my dear friend, Will never forget you I promise.*

“ We do not want you to be uninformed, brothers, concerning those who are asleep, so that you will not grieve like the rest, who have no hope. Since we believe that Jesus died and rose again, in the same way God will bring with Him those who have fallen asleep through Jesus. For we say this to you by a revelation from the Lord: we who are still alive at the Lord's coming will certainly have no advantage over those who have fallen asleep. For the Lord Himself will descend from heaven with a shout, with the archangel's voice, and with the trumpet of God, and the dead in Christ will rise first. Then we who are still alive will be caught up together with them in the clouds to meet the Lord in the air; and so we will always be with the Lord. Therefore encourage one another with these words. So Luz I won't say bye, but see you soon. May you S.I.P, until our Lord and Savior comes for us.

“ I credit two sisters for teaching me all the dances that use to come out when we were teenagers. Lundy, made sure that her bother to learn how to dance. So I learn to dance Latin and do the hustle, my favorite dance. Being the oldest brother, I could not have a better sister. Although, we had my disagreement because we were very much alike, but she always had my back and always encourage me to be the best that I can be. Thank you sis for always being there for me and encouraging me.

“ Please allow me to offer my condolences to the, Donato family, with these comforting words: "With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." And the One seated on the throne said: "Look! I am making all things new." Also, he says: "Write, for these words are faithful and true." - Rev. 21:3-5. This is the hope of the resurrection. I am very sorry for your loss. May God's Word comfort the, Donato family and all those who loved, Ms. Luz. Sincerely, Meryl
