“ *Lynette was my neighbor for years. We always watched out for each other. She would come over when she cooked something new. My husband would come home and say have you seen Lynette? If she was gone for more than a day. She fought a good fight. She is flying high, give my husband a hug for me. ❤️❤️*

“ *The most honest, and faithful friend, I have ever known. Adventurous, and sassy. Hard working and loved her family, greatly. Prints of our times together will remain in my heart, forever. Not everyone gets to know this type friend. I am so blessed that I did. Forever...*
