“ *Titi Maggie at this difficult time there is no words that can be expressed on how the family and I feel that you are no longer here in the flesh. There is one memory that I do have when I was a child when my mom and titi Nelly drove down to Miami to visit you and you guys were getting dressed to go out for new years. I know its going to be very hard for them to accept that your gone but I know you will be looking after your baby sisters and brothers from heaven we love you and miss you may you rest In eternal peace.*

“ I shared this message the other day and I wanted to post here as well... One of the most difficult life situations for any of us to accept is death. With every life will come a death it is inevitable. Today I remember my aunt for her strength. She has been fighting diabetes for as long as I can remember but her willingness to live has kept her going. I recall always discussing with my mother how I thought she'd out live us all, but the fight ended. Your body was tired and God has called you home! We will forever remember your spirit and keep you in our hearts. You are now with the Father. ❤️Love you titi Maggie❤️

“ Querida y Amada Tia Maggie ...Con tu partida has dejado un gran vacio en muchos corazones. Pero estaras presente en mi corazon como una sierva de Dios, con esa gran Fe la cual te caracterizaba. Fuiste un gran ejemplo a seguir, de una Fe incorruptible.. Aunque hoy sufrimos por tu ausencia , mi espiritu se regocija al saber que un dia no muy lejano nos volveremos a ver...Asi que esto no es un adios sino un hasta luego...Te queremos mucho y Que descanses en paz.....

“ My sister, you will be truly missed by everyone. I can never express the love and caring sister you was to me. You was an amazing woman, a fighter, a loving mother, a loving sister, and an exceptional human being. Amazing woman because you overcome many challenges in life and you kept strong for you and your family. A fighter because you fight until the end, you took care of us, your brothers and sisters when mommy and my father had to work for us, you gave up your education to take care of us. Still while fighting your own illness, you took your grandson and your raise him as yours. You was a fighter because you never let anyone take advantage of your sisters and brothers, and you also fight until the end the battle of diabetes. A loving mother because no matter what, you work hard to make sure you kids had what you never had, and today you have a daughter who is a nurse, you did that because with out you that was a challenge for her but you made it easy to accomplished. You took your grandson so your son can have him today, and you was always there for your son Jimmy and supported him throughout his life. You never said no to anyone, your doors were always open for those who needed you. Most of all your love for me will never be forgotten, you was and will always be in my heart and I will always reminisce on those days we spend together at home. You was and will always be an exceptional human being. I hope we meet again, because where you are not everyone can enter, you are in heaven with my dad. Rest my sister, rest in peace. Love you, your sister.

“ De parte de Tu hermano Orlando:
Sobre mi hermana Magi, como la voy a estranar, era tan cariñosa, con su dulce voz me decía Orlando !! Y yo le decía Magdalena !!, era humilde y respetuosa con su madre, con un buen sentido del humor, y en un tiempo le gustaban sus novelas, buena cocinera y ama de casa, todo estaba en orden siempre en su casa. Buena madre y hermana, mi Magdalena se me fue, con cariño siempre de recordare.

“ *This is for you Mom.*

*Every time that I smile,
Every time that I sigh,
I think of your face,
And a tear escapes my eye.*

*You were my world,
My inspiration and my heart,
But when you left me,
I thought I would fall apart.*

*You were my best friend,
My one true 'confidante',
And that's not all you were,
You were also my mom.*

*I didn't want to live without you,
But you would have wanted me to,
And if there's anyone I want to make happy,
That anyone is you.*

*I would have given anything to have you back,
But I know now that it was meant to be,
For you are still watching from up there,
And I know you're watching me.*

*I'll make you proud mom,
I'm going to fulfill your wish,
You're going to see me and smile,
That's a daughter's promise.*

*'Our love for you is not written on paper, for it can be erased.
Nor is our love for you etched in stone, for stone can be broken.*

But our love for you is inscribed in our hearts, where it shall remain forever.

“ *My Dear Sister it is very hard for me to tell you ' until then'. You was a brilliant sister, I will never forget your voice and your strong character, especially when you felt that someone had offended a member of your family, you was ready to confront the situation. I still reminize on these and I always ended up laughing, Thanks for loving us, Magie, and for looking over me and my younger brothers when we were kids. I will never forget the last thing that told me, when we said good bye to each other, I also love you very much sister, and your memory will always live in my hearts. You rest in peace now.*

“ Maggie,
*In the short time we have spent together over these last months you
lifted me with your smile and words of wisdom.*

*I will never forget your love of family and taste for good food!!! You
embraced me as one of your own.*

*I will never forget your first words to me as you were laying in the
hospital "You know I raised Nelly" :). With a sparkle in your eyes you
let me know that Nelly is the best for me.*

*This past Thanksgiving with the family was a time of great joy and
laughter. When I saw you sitting there enjoying yourself and
everyone coming to you giving respect I could not help but smile
and be so very proud of you. I greeted you with love and respect
and you looked up at me with a confirming smile of acceptance.*

*Maggie you are a woman of great character and strength. Nelly
loves you Maggie and so do I. You are greatly missed*

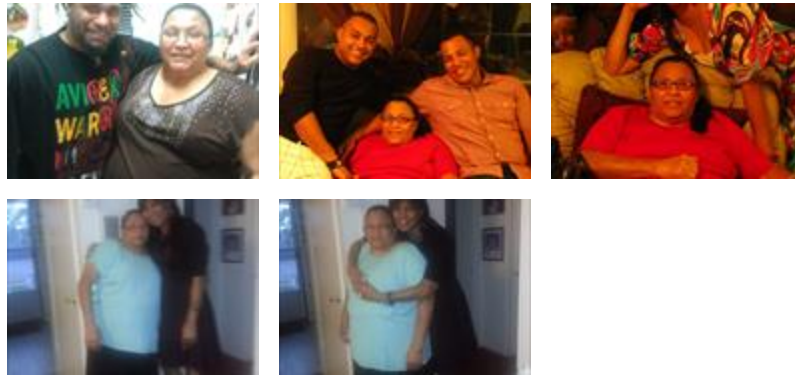

*May you rest in God's loving arms knowing that you left a lasting
legacy of love for all.*

“ Oh Maggie,

You took care of me like I was your daughter. You treated my children like they were your grandchildren. You helped me raise them. I took care of when you needed me the most.

Maggie, no more pain, no more diabetes, no more needles, today you are in heaven my dear sister.

In my dream you waved goodbye to me inside a bus. I knew that God was ready to take you with Him, but it was so hard to except that I would not see you anymore.

Today your body is healed, today you are in a heavenly state. I miss you, I will see you again one day my beloved sister. On that day God will wipe away all of our tears and together we can rejoice in God's presence!

*Love always,
Your baby sister Nelly*
