“ Titi Magi and I worked together back in 1976. She was as beautiful now as she was then. Such a wonderful person and while it's been a long time since I've seen her....I've never forgotten her. That smile!!!! REST PEACEFULLY FOR ETERNITY TITI. THANK YOU FOR LOVING ME. 🙏😭

“ Life is not the same without you. I had plans to take care of you and see after you. Now your gone and my shift has to change. It hurt so bad for all of us. I thought this will be another story for you to tell me of you beautiful strength, but you are at peace, no more broken heart only happiness in heaven. We have to let you go and be our angel now. We love you and will take care of dad as you already know. You will not be forgotten.
