“ *I'm so sad to hear about Mandy. I was one of her gyn providers and always found her to be a blessing, always smiling. She was so happy when she became pregnant and when I saw her last, she showed off proudly pictures of her growing baby. Everyone in our office is heartbroken from the news and will miss her greatly. Our prayers and love to her child and family. She will leave an empty place in all our lives that only she could fill. We love you Mandy.*
