“ Marcelo... When we met i knew you would be part of our lives in more ways then just a colleague , you have always been there for me to talk when i needed to vent about anything , we have enjoyed many good times together , enjoying a good meal , a nice cup of Sangria (that you got me addicted too) and shared many good conversations about our hopes and dreams for the future ... i remember when i took this picture.. it was the first time you went to the Knife... you where so excited to bring the kids there once they arrived... i remember so clear all your hopes and dreams for them ... its hard to express how sad i am...however i want you to rest in peace and know that you have many many good friends and family who love you and will make sure that your hopes & dreams for your children will come true... you live within them and al of us... in our thoughts and memories 4 ever...Rest in Peace Amigo TQM

“ From day 1 we met in 2009 there was an aura about you that could brighten any mood! Your personality, dedication and values will always be remembered. There was an instant bond between us that many did not and will not understand. You are and will always be family. Although it is difficult to understand the situation in which is in hand, I pray you have found the peace you were searching for with your parents ? rest assure your wishes for Yami and Brian will come true it will be my honor to ensure this ?

“ *Cuando te fuiste de la argentina yo era muy pequeña, no recuerdo momentos buenos ni malos juntos, pero hace unos años cuando yo crecí, nos fuimos comunicando y siempre que veías cosas que yo ponía en Facebook vos estabas ahí, eras el primero en preguntarme solo que te anda pasando... Dándome consejos de la vida, diciéndome que disfrute de la vida que soy joven y que tengo toda una vida por delante, siempre valore eso, que te preocupes por mí, yo siempre tuve un cariño hacia vos! Me encantaba las veces que me decías Sobri cuando hablabamos!! Sinceramente te voy a extrañar y voy a echar de menos las charlas por online...! A pesar de todo siempre fuiste mi tío y yo tu Sobri!!!! Siempre te recordare <3*

“ *I didn't really get to know Marcelo for too long but from the first time I met him he was such a sweet person. He was full of smiles and he immediately took my daughter from me and just started to hug her, kiss on her, take pictures with her and treat her like the special baby girl that she is. I only had the pleasure of spending a few times with Marcelo but each time, it was a wonderful time and a great memory. Laughter, hugs, pictures, loving and playing with my children. I am very sad of this news as he was such a wonderful person and within the short time that I got the chance to meet Marcelo, it is an honor to be able to say that he was apart of our lives for a little while. May you continue to smile from above Marcelo. Watch over your friends and loved ones. Thank you for the loving times that you shared with some very special people in my life. RIP! May you rest now that you are in heaven. GBY!*

“ I remember grillin chicken with Marcelo and he had burnt it, we both started laughing so much. It still tasted good because Marcelo took the time to cook it. He was so happy the day of his cookout. We all had a blast, great memories are what we now have to remember. ...
