“Mama Peg growing up as an unofficial member of your family gave me the most amazing memories that I still cherish. You were always my best audience...laughing at my jokes no matter how lame they were. I always felt at home with you, Papa Bob, Kari, Traci and Kim. I will miss you for all the days of my life and will be sure to be good so I can join you in heaven! (I will make sure to have new jokes when I get there). Love and prayers to everyone. 💜💜💜”

“ Many memories growing up across the street from the Liptak family. Sliding down the hill. Skateboarding in the driveway. We had a great neighborhood and Peggy was a part of that community feel. Peggy you will be missed. Have a glass of wine with with my Mom in heaven.

“ One of my fondest memories of Peggy is our trip to Las Vegas. It was in August of 1991. I traveled with Peggy, Bob, and Kari for four days, and we packed so much into that time. Many of the places we visited are no longer there, but we certainly had an amazing time filled with laughter. Peggy showed me how to play Keno, and I won \$800.00 on my very first attempt, which made her so thrilled for me. I have countless memories of her at the house on Spruce Hill Road. She would take us out for ice cream, and she always refused to let me have chocolate ice cream because she believed I was allergic to it, even though I wasn't. I just listened to her. LOL She will be missed.
