“ Margaret I will always remember your
wonderful smile and you were beautiful inside
and out. I remember seeing you at church El
Shaddai with Maria and you were full of life. I
also remember going out to eat with you
Maria and your sisters and a few other people you were so nice. I
will always remember those wonderful memories. May your soul
rest in peace. My thoughts and prayers are with you and your
family. Fly high.

“ I remember she went on her first cruise with me and 12 others. When she saw the karaoke she said to me and my sister come on let's sing and we sang with her and laugh so much we walked out of there laughing hard. What a great time we had.

“ I remember her calling me up on the cell phone and rushing me to church, cause she never wanted to be late to the house of God. And boy would I hear it from her, so I made sure to be on time, we also did a lot of shopping together and eating out after church.
