“ Last month on November 26 we lost “Mama”. I called her that because to me she was my second Abuelita. She leaves behind a legacy of Prayer Warrior, compassion and a Protector of her sheep. When I would go see her, she would light up with excitement to see me, something I never had as a child. I am so thankful I was able to visit her while at the Rehab. She made me feel “Loved”. I am so thankful that God let us have her for as long as we did. Not many have that privilege. She leaves behind a Tribe of people that will miss her greatly.

“Bendicion mama”. I love you with all my being 🙏

Love you Lisa
