“ *This is the one I loved for 68 years. My home is so empty as is my heart, I wish I knew the words to describe how much I miss you. I am comforted in knowing that you love Jesus and believed his teachings and now you are at peace with Him, no pain, no struggles with breathing, no fears for your future life. Some day we will be together again in a world whose glory we cannot comprehend. I love always, Marie.*
