“ *When someone we love dies, it leaves a hole in our hearts. This sorrow was felt by Jesus, Mary and Martha when Lazarus their brother died. Jesus said to Martha: “I am the resurrection and the life, the one who exercises faith in me even though he dies, will come to life. Did I not tell you that if you would believe you would see the glory of God?” Then he proceeded to resurrect Lazarus and he promises to resurrect all those in the memorial tombs. May the family draw comfort from all of Jehovah's promises because we know they will all come true.*

“ *I was very saddened to hear of Miss Marie's passing. I have a fond memory of visiting her home when I was a teenager for a family gathering in which I was invited. So much great food and fun. I recall her gentle and sweet personality. To all of her loved ones I know she will be greatly missed. Glenda I love you and I'm praying each day for your strength during this time. May you find joy in the hope that the resurrection brings.*

“ You have my deepest sympathy and empathy in you loss. During such a time I was greatly encouraged by a promise I found in the Bible at Revelation 21:3, 4 where a time will come when we will not experience the suffering that come from this type of tragedy. With this thought in mind I invite you to visit www.jw.org, there you will find more information on Gods promise of the resurrection.
