

## Mario Roberto Cancel

June 2, 1965 - August 26, 2020

Mario Roberto Cancel age 55 of Orlando, Florida passed away Wednesday August 26, 2020. Mario was born in Manhattan, New York on June 2, 1965.

Mario is survived by his two brothers Pedro and Raymond Cancel and his nieces that were more like sisters to him Monic and Veronica. Mario was a loving and compassionate man who loved people and animals to his core. He also was the most talented in the family from his oil paintings, cooking, gardening and crocheting. He never judged anyone and accepted ones flaws. He was truly a character to never forget with his wit, charm and charisma. I know we all have stories with him that are one of a kind and he will be held in our hearts forever and always.

“ Here it is 2 yes later I just found out about Mario passing on. We meet in the early 90's and we became good friends. As the years went by, we became family. Somehow we went separate ways and lost track of each other. I remember your laughter, your crocheting, our good time and bad. I will always cherish our memories together. May God bless your soul.
