“ *Le acompaño en su sentimiento, por muy desagradable que sea la muerte es algo que sucede día a día, pero hay una promesa según Revelación 21: 3,4, además en Juan 5: 28,29 está la promesa de la resurrección, para aprender de estas promesas solo hay que seguir el consejo de Juan 17:3. Con este pensamiento en mente le invito a que visite el siguiente enlace, <http://www.JW.org/es/publicaciones/libros/tratado-muertos-volver-a-vivir/> Ahí encontrara un artículo que habla más al respecto.*

“ *Aunt Marion, I will always cherish the memories of all the time we were together I always enjoyed being near you. My plans were to move closer to you in just a few more years so we could make many more memories. I will always love you and never forget you... Wish I could have had just 1 more time just to hug and kiss you and tell you I love you... Rest in peace, till we meet again..... If tears could build a stairway and memories a lane I would walk right up to heaven and bring you home again.....*

I could remember coming with Tanika from school. I would spend just about whole day there. I thought wow I wish u could have a grandma awesome like this woman. . You and Tanika are truly blessed for wonderful woman to raise you girls. She still has inspired me to be wonderful woman as well ..Even it's been a long time since I spoke with her.. I still remember watching and listening to her.. She made me realize what family really is supposed to be. You guys didn't know but I was going through a hard time when I was going to school you guys. Just know she will always be a memory I was always cherish.
