“ Ana & Family, I am praying for all of you! I've known Mark all my life and consider him one of my oldest & dearest friends. As small children, our 2 families (Johnson & Watts) had next door camps on the Kentucky River. Our 2 families would welcome each other at either camp. All the kids played together and his Uncle Crawford & Aunt Lucille was also my Uncle Crawford Aunt Lucille. We played Little League baseball on the same team and his father (Clyde) was one of our coaches. Later in our early 20's, we shared a house together with 5 others. We split the \$100. rent seven ways and we all had a hard time @ the 1st of each month coming up with the \$100.00. Ha! Our house was known throughout town as "The Hole in The Wall". We had our own softball team and had many great times playing in the Millville League. Mark played in the outfield and he had the "best strong arm" in the league.

When I moved to Jacksonville in 1979, Mark came up and stayed with me and 12 others to attend the Florida-UK game in Gainesville. UK won and it took over 40 years for UK to win another @ Florida. We all had a great time the day before playing the old Sawgrass course in Ponte Vedra. I made numerous trips those 2 years to Orlando. He'd go out of his way to show me a good time! I always enjoyed playing golf with him, especially the times we played in Las Vegas.

When I was dating my late wife (Carol) in the early 80's we visited Mark for several days. He was again a great host. I have a few pictures and one is especially good of him & Lance! Lance was 2 I think.

The last time I saw Mark was at our reunion when he & Ana had dinner with me. It was so good to visit with the both. I got a really nice call from him in September when Carol passed away. We also talked a few times when he became ill in the last couple of years. I will really miss Mark! My thoughts & prayers are with all of his family!

“ *Mark was a neighbor and friend for many years. The memories are endless: chocolate martinis, the wedding at Lake Eola, Hurricane sheet surfing and watching those kids grow up and so many more. Mark's Mama and I mine had the same name so we always had that bond. I always admired how handy he was from building on an addition to their master from building a great hot tub platform to putting in a putting green. Nothing he couldn't do. Will miss that smile! RIP Mark.*
