“ ✨ *Life is truly precious, and we never know when the dear Lord will call us home. When someone reaches out after so many years, it reminds us of how important it is to cherish each moment. She worked with me for 10 years and always made me feel so welcome when I joined the Fund. Her kindness and support created a warm environment that I truly cherished. Even if I didn't get to see her again before she left this world, she will always hold a special place in my heart, sealed with all the wonderful memories we shared. 💖*
