“ My dear cousins it breaks my heart that you guys have to go thru for the same situation that I went thru. Losing our mom’s suddenly. It’s an excruciating pain. Your mom was a very special person, she was the kind of person that was very affectionate from the moment you meet her. Immediately bond with our family, I save beautiful memories in my heart from all those years we share. I been praying since the moment I was told about it. I’m sharing a picture of her with my mom, she shared with me last year.

Sending a big hug. I’m very sorry... love Debbie.

“ Martina,
I will definitely miss our friendship, your calls and funny texts, our lengthy conversations. 2 days could not go by that we wouldn't grab our phones to call each other with the latest scoop in our lives. Our bond after we retired only got stronger. I'll miss being together sharing nature walks either in a park or beach. You always answered when I called, you shared your artistic ideas and so many other tips. You were a wealth of knowledge on many topics, you were silly, we had some good laughs.
My 2 sisters were too far away but God allowed you near so we can enjoy our lives more. My entire family love you and will miss you. You were gone too soon but I am consoled to know you were enjoying your life as best you could. Thank you for loving us.

Rest in peace my sweet sister, friend. I'll remember all them prayers we shared together. Our conversations about the Lord, your faith in him. I'll remember our trip adventures and our last meeting on Valentines day at your house, we ate delicious cookies u baked and we watched a movie.

Enjoy your new heavenly home, rest in eternal peace.
