“ When the enemy death strikes your grief can be great. It's never the right time to say goodbye to a loved one. Death too to many seems to be a part of life. It's during times such as these that we can find comfort in the Lord's Prayer in Matthew 6:9, 10 ~ "Our Father in the heavens, let your name be sanctified. Let your kingdom come. Let your will take place, as in heaven, also upon earth". Only God's (Psalms 83:18) Kingdom can bring peace, happiness, perfect health, and everlasting life. Thank You so very much Jennifer for your kind words for my Mother. I always knew she enjoyed the time she spent there playing her beloved bingo games. But i didn't relize until i started bringing her to the hall it was all about the many many wonderful friends she had made over the years. She so loved the staff at the Lions Club and i shared those thoughts with my sibling.

“ *To the Beers Family, please except my sincere condolences over the loss of your dear loved one. In the Bible, we find the wonderful hope of a resurrection (John 5:28 & 29).... Rev 21:4 promises that soon mourning, pain, and even death will be a thing of the past. Until then, may your precious memories carry you through and may the God of all tender mercies be a source of comfort during this time of pain.*

“ Mrs. Beers was my neighbor at Heatherton Village. I met her and Mr. Beers 20 years ago. Thousands of "hello!" or "how ya doin Mrs. Beers!" through the years. Many converstations about family, work and relationships. Many laughs and good memories with her and her family. She was always kind and loving to me and anyone in my family. I will miss her and the comfort she unknowingly provided us all in our little corner of Heatherton Village. She was always there with a smile and a kind word. She had a beautiful laugh that was contagious and would brighten an otherwise bad day you might have been having. My love to Dan and the rest of the family and rest assured she is now brightening up the heavens.....Jerry

“ To the Beers Family I send my deepest sympathy. I first met Mary when I joined the Red Hat Society. We are called the Pool Pals. It was a JOY to know her. I had the privilege of providing a ride for her to our monthly meetings. What a joy to be with and what a sense of humor. I will miss her deeply. God Bless her.
