“ *Ms. Mary was always looking for a way to share Jesus with others! She would come to almost all ministry meetings even if she couldn't physically assist. She wanted to know what was happening and how she could promote it or be helpful! On the Sunday before she passed she wanted to know about getting some leftover kid's bags we made for Holy Week to give out! She will be missed greatly! Thankful she is with Jesus and we will see her again!* ”

“ God bless you, Bryan, Wayne and family. I miss my friend and eternal sister in the Lord.

Mary had a huge heart for others and wanted to not only show that love through hospitality but also through kindness and concern for others.

Mary had a love for others and a heart for missions. She wanted everyone to know the kind of love and forgiveness that only Jesus can give. She and I used to knock on doors together, giving out tracks and her blessing bags.

Around Christmas of 2022, Mary invited me to join her for lunch and to attend a one-man dramatization of Charles Dickens', "A Christmas Carol." It was so amazing to see him act out the whole story of 36 characters, just by changing his voice and actions on stage. It was fun and it was very moving, reminding us of God's redemption.

Mary was very gifted with the ability to decorate the stage of our church with flowers and plants.

Mary had a talent of oil painting, which was displayed in her home. She had many gifts and one was cooking! I absolutely loved her cornflake fried fish cooked in coconut oil in an iron skillet! She underestimated how many talents she had!!!

Mary is shining as the stars now and I look forward to seeing her again, one sweet morning!!!

Until then, may we all honor her memory and nothing would make happier than to see people draw near to God!!!

One of her favorite verses ~ "Trust in Him at all times; ye people, pour out your heart ❤️ before Him: God is a refuge for us." Psalms 62:8

(Mary included that verse on my pink cards when I was sick with COVID in 2021. The pink cards were so encouraging and let me

know she was praying for me! Obviously, God heard and answered her prayers and the many prayers of others.) Praise the Lord! 🌹 🌹
