“ *Dear Paul, Pat, John, Randy, & Lynn,
Bill & I send our heart felt condolences. We always looked forward to Mary' & Paul's Christmas visits to New Orleans. Her laughter and warmth endeared her to all and she was a great Mexican train competitor. We will miss her. Much Love, Mary & Bill*

“ Dear Patricia and John,
after we had met in Laufersweiler in July and learned some facts about your ancestors, I wonder what would have happened with your beloved mother without the 12 years of inhumanity, terror and war. With these thought in mind I have just returned from a talk with four refugees from Syria and four from the Republic of Central Africa, Christians and Moslems alike. I care for them as much as I can. How can mankind go on living or killing each other like it has been happening in the last months. The Franks had to flee from their homecountry and the lovely Hunsrück, how can mankind forget what was done to the Jewish population of Europe?
Even if I have never met your mother I feel with you and offer condolences from me and my wife Gaby. We hope to see you again in the near future.
The photo shows the poignant moment of what I am trying to say, when Pat and John were holding the discriminatory "Kennkarte" of Pat's ancestor.

“ *My sincere sympathy to Mary's family. Had many a golf game with Mary at Red Run. She was a great competitor on the golf course and in the bowling alley. If there's a golf course in Heaven, Mary will have a tee time. Hope she includes me in her foursome. Rest in peace Mary. Sheila*
