“*"Mama" Townsend together with Carl have been my life examples of unconditional love expressed to not only their own kids, but to all who hung out with the family. As kids through high school (and even beyond!), when we did stupid things, they helped us see that we were smarter than that. When we were "bad", they believed that we were good kids, making bad decisions. They made their house a home for us to come to and grow up together. Our world is ever changed because of this beautiful lady, her faith, her passion, her commitment, her belief -- her legacy lives on, and on in us all. I cherish the thought that we will one day see her again in Glory and can now celebrate her amazing life. Much Love to the Townsend Family... Pam Smith*
