“ *I'll miss you everyday Matt. The only light in
this darkness is knowing you're in a better
place living it up with Jesus. One love cousin.*

“ AFTER GLOW

*I'd like the memory of me to be a happy one.
I'd like to leave an after glow of smiles when
life is done.*

*I'd like to leave an echo whispering softly down the ways, Of happy
times and laughing times and bright and sunny days.*

*I'd like the tears of those who grieve, to dry before the sun, Of
happy memories that I leave when life is done.*

In Loving Memory of Matthew
