“ *Melody you will never know how much you meant and still mean to me. You loved me unconditionally and never for a second judged me. You treated me like the older sister I never had. Your soul and love is pure and I will never have someone love me like you did. Please visit me in my dreams because living without you is one of the worst pains I have ever experienced.*

I love you Melody xoxo

“ My dearest cousin Melody.. How it broke my heart the moment I heard of your passing.. Still till this day I feel I can't find the right words to express what I'm feeling of knowing you won't be around anymore.. I looked forward to always seeing the pictures you would take of yourself and post on FB or IG.. And now all we have is just your last posts and memory's that we all have in our own memory of you.. You were such a beautiful girl.. Inside and out.. Your inner beauty shined through your continuous smile of yours.. You carried yourself so well through out life, since you were little.. So friendly and caring to others.. Made everyone feel at home with you around.. God I can't believe that you are gone.. 💔😭 But knowing that you may not be with us here on Earth physically, but are with us where ever we go throughout our lives, we will forever carry you with us in our hearts and memories.. & Knowing that you are reunited with our Heavenly Father, your dad Tio Tony again and Grandpa Jorge, Conforts me so much.. That i know and I have Faith that you will never leave us and that you are happy where you are.. As much as death hurts those who are living, it's apart of his plan for us all.. And it was just your time.. I love you Melo.. God I love you so much & will miss you dearly.. Forever & Always May you Rest In Peace and continue to shine up above.. ❤️🙏🌈💋

Love Always,
Your cousin Peggy Acevedo ❤️
