

## Meranda Nicole Martinez

November 19, 1993 - April 10, 2022

Meranda Nicole Martinez, 28 of Orlando, passed away Sunday, April 10th 2022.

Our Little Mermaid...she came into this world with so much love and joy and wisdom to be shared with all that knew and loved her and continued that way right up to her exit from our world.

She struggled to make it into this world and once she arrived she never stopped fighting. Before she was born, she wasn't developing well and had to be delivered a month early to start her on a special diet to help her grow. At only a year old, she was diagnosed with a blood infection that the doctors were amazed she hadn't succumbed to and after 10 days in pediatric ICU, she was released in perfect condition. At 14 years old she had bacterial meningitis that went undiagnosed for a month and, again, shocked every doctor with how she overcame all of the obstacles she faced there in another 10 days of ICU. She has also battled anxiety, depression, postpartum depression, diabetes and other life events that no one should have to endure.

She was a healer, a makeup artist, a counselor, a jokester, a peacemaker, a comedian, a confidant, a sneaker head, an encourager...but more importantly she was a daughter, niece, granddaughter, sister, mother, wife and a friend to everyone she met. She also knew and loved our Lord and was working to

become a better Christian every day.

She was raised to help those in need and she did just that at every opportunity that God provided her with. Even as a second grader, she asked to be a reading buddy to one of the students in the special education class (“they need a friend, Mom”). Fast forward to her teen years and she started bringing home the friends that needed a safe haven, whether it be for a few days or months. Then came all the stray animals! Even as a new mom, she found it in her heart to fight for and gain custody of a set of twins who needed a more structured and stable home. This was so much a part of her being that we can already see the same in her son, King, who she loved with every ounce of her soul.

This is who the world has lost. This is who we mourn and miss. This is Meranda
