

Mercedes Miranda Morales

October 5, 1944 - September 23, 2014

Mercedes immigrated from Cuba in 1967 with her children Aldo and Judy. She later married and had an additional daughter, Ann. She was a housewife for most of her life dedicating herself to raising decent, moral and respectful children. She also took the time to ensure her Cuban heritage was not lost and her children knew the importance of education.

She enjoyed sewing and crafting for many occasions and loved gathering with close family. Once made a grandmother, she relished in seeing her grand kids smile and witnessing as many milestones possible.

“ One of my fondest memories of Mercedes is how as a teenager she opened up her heart, arms and home and to me and treated me as one of her own. Although many many years have gone by I will never forget and will forever be thankful for her kindness. My most heartfelt condolences to all her loved ones and all who knew her. She will always live in my memory as that young vibrant woman with a heart if gold. Rest In Peace my dear.
