“ As the wife of your son Danny, I've had the greatest pleasure to know you and cherish your loving ways. When we get together during special occasions with other in-laws you made us feel as one family united by your love and guidance. I thank you! And to your grand children you showed fondness, kindness and thoughtfulness. From the bottom of my heart I thank you! and I will miss you!

With love,

“ Auntie Ed, you are a loving aunt and mother. We will miss your loving ways and thoughtfulness. We remember how much you cared for us when we visit you, treated us like your own children, always making sure there's food on the table, and preparing native kakanin to take home for our long drive back to Maryland. Personally, I love your being a fashionista, the floral pin you would put in your hair and the costume jewelry to accessorize and complete the look. Auntie, you have lived a wonderful life and we will cherish the memories you have shared with us. As you depart for your heavenly journey hand in hand with our Lord, please pray for us and your family for healing in this great loss. Love ---- Jun, Eno, Jon & Pia
